

Environmental enrichment and HDAC inhibitors ameliorates learning deficits in CK-p25 mice

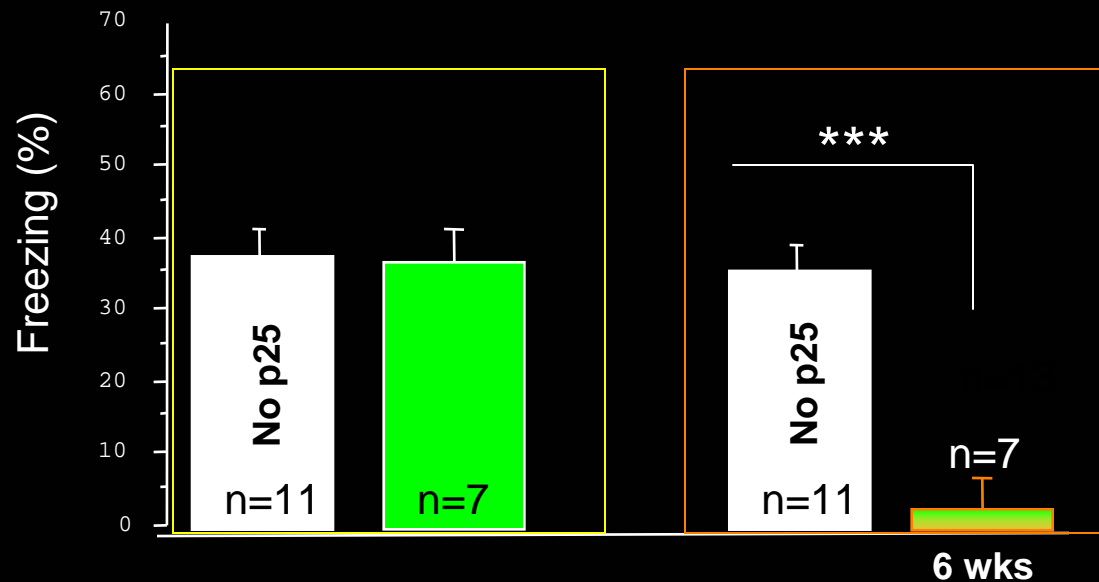

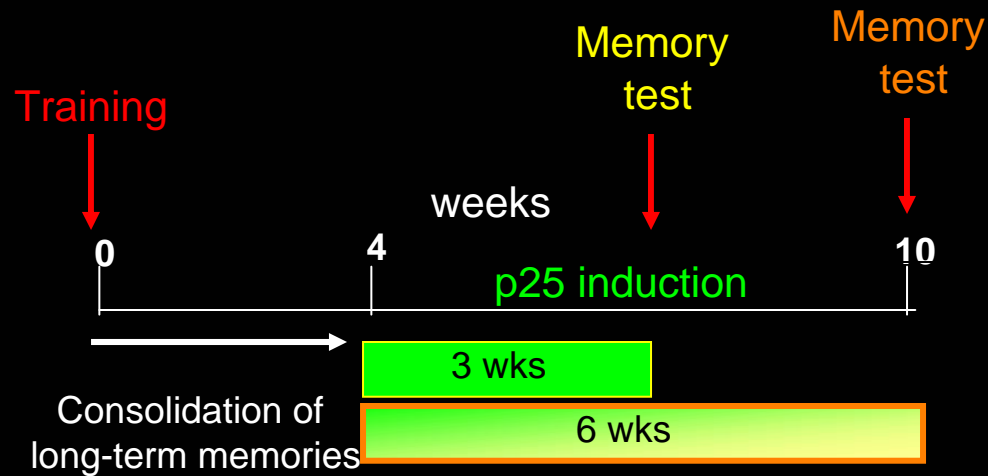

p25 induction: - + +
 Enrichment: - - +

Associative learning

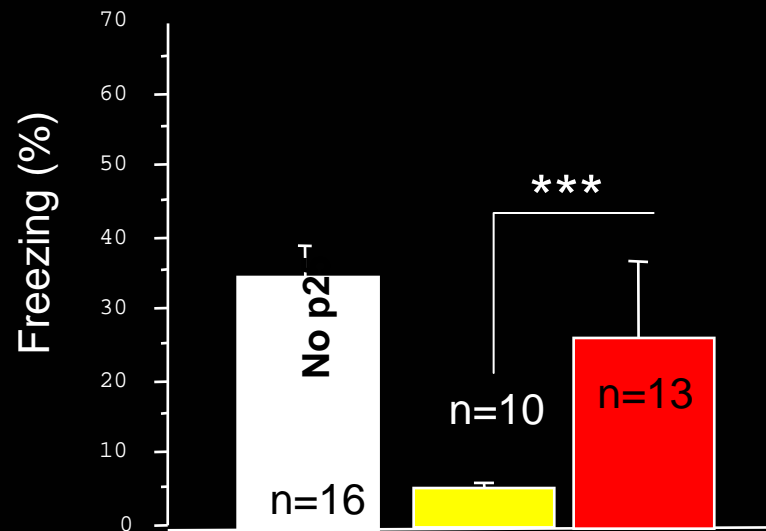

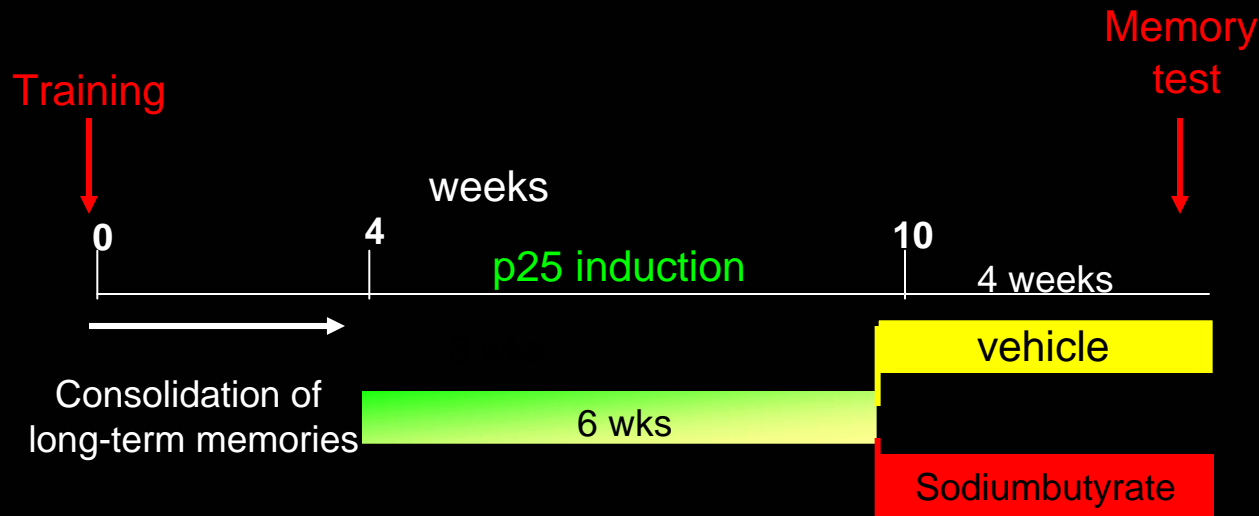

● CK-p25 Sodiumbutyrate (n=8)
 ● CK-p25 vehicle (n=8)
 ● Control (n=8)

Loss of long-term memories in CK-p25 mice

Recovery of long-term memories in CK-p25 mice

(Fischer et al., *Nature*, 2007)
